Jointly Developed

The Student Achievement Compact has been jointly developed. Teachers suggest learning strategies, parents added ideas to make items more specific, and students informed us how they learn best. Meetings are held each year to review the compact and make changes based on comprehensive needs assessment. Parents are encouraged to participate in the annual Title I Survey and to contribute comments at any time. If you would like to participate in revising the School Compact, please contact Caroline Raines (229-213-0147) (carolineraines@calhoun.k12.ga.us).
